† For your convenience, you can lease this vehicle as a One Time Payment option. This payment amount includes taxes, levies, fees, freight & delivery charges. Above "Amounts Due at Delivery" are included; however, "First Payment" and "Down Payment" are not applicable, and therefore, they are not included in the One Payment Lease. The amount shown above as "Refundable Security Deposit" will differ with the One Time Payment; it will be a flat amount based on the MSRP as follows: \$350 for MSRP <= \$24,999, \$500 for >\$24,999. Lease End Value will apply. Please see your dealer for complete details. One Time Payment option cannot be combined with any other programs/offers unless agreed upon by your dealer and approved by Toyota Financial Services.

MSRP is the Manufacturer's Suggested Retail Price in Canadian dollars.

Prices do NOT include insurance and license fees, or any additional products or services that may be made available to you through your selected Toyota Dealership. Dealer may sell for less.

A Toyota dealer is free to set its own selling price for Toyota products and services.

Price includes Roadside Assistance, a full tank of gas and floor mats (floor mats included with carpeted vehicles only).

Additional downpayment may be required if trade-in value is lower than amount owing on trade-in.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be exact cost of installation at a dealership. Please confirm accessory pricing with a Toyota Dealership.
