Dear Mxx xxxxxx:

I acknowledge receipt and thank you for your recent e-mail regarding the importation of motor vehicles from the United States.

I have duly taken note of your correspondence. Please be assured that your comments have been carefully considered and will be brought to our leader, the Hon. Stéphane Dion. As per your request, I am sending a copy of this e-mail to Mr. Dion's office.

The Liberal Party of Canada understands consumers concerns about car prices and we are ready to hear their arguments. As well, we are in favour of a strong and competitive manufacturing and auto sector and we will aim, as a government, to create the best economic environment possible to make sure that workers and their families can enjoy a good quality of life but we will also work to make sure that consumers' rights are respected.

Please be assured of my energy and availability. The Liberal Party of Canada will work hard and pursue its efforts in defending liberal values.

Again, I thank you for having shared your concerns with me on this issue.

Sincerely,

The Hon. Marlene Jennings, P.C., M.P.
