MSRP is the Manufacturer's Suggested Retail Price in Canadian dollars.

Prices do not include insurance, license fees and certain other fees, for example, provincial environmental stewardship fees, or any additional products or services that may be made available to you through your selected Toyota Dealership. Dealer may sell for less.

A Toyota dealer is free to set its own selling price for Toyota products and services.

Price includes Roadside Assistance, a full tank of gas and floor mats (floor mats included with carpeted vehicles only).

Additional downpayment may be required if trade-in value is lower than amount owing on trade-in.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be exact cost of installation at a dealership. Please confirm accessory pricing with a Toyota Dealership.
