Subject : Urgent Update - expulsion notices issued late today!
Body of Message :

Roy, to keep you informed and help you prepared for the show this afternoon, I have attached a couple of e-mails I sent to Mr. Cannon late yesterday on behalf of our group. These concern two major issues!

Late yesterday The Govt started sending Expulsion notices out to our members! This after Mr. Cannon reassured everyone on Tuesday that they would be looked after!

As well, more significant changes have been made to the List of admissible vehicles.

Gee, and I thought, just maybe I would get some sleep last night!
